Nurses on Boards Survey Trends

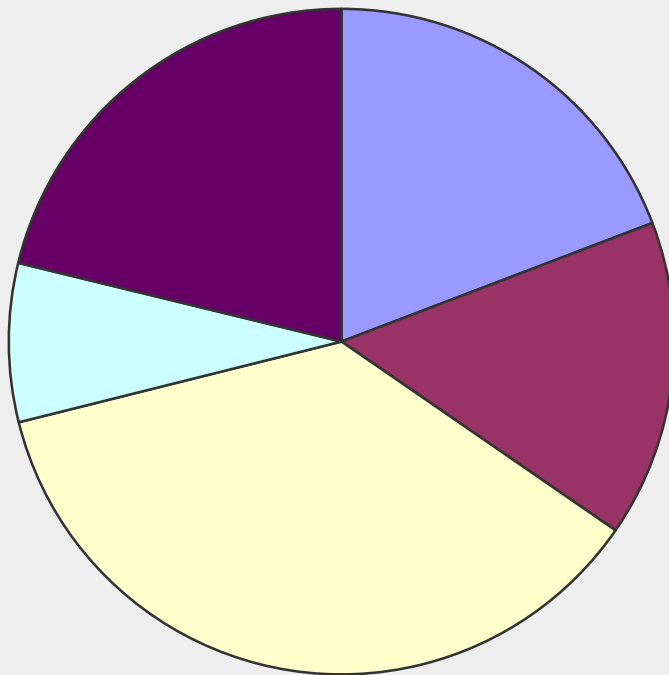

Relevant Study Information

- All percentages in graphs are rounded to the nearest whole number.
- Total number of survey respondents: 59. Below is a breakdown of respondents based on their level of experience with board service and/or governance:
 - Novice: 10
 - Beginner: 8
 - Competent: 19
 - Proficient: 4
 - Expert: 12
 - Unidentified: 6

How would you describe your level of experience with board service and/or governance?

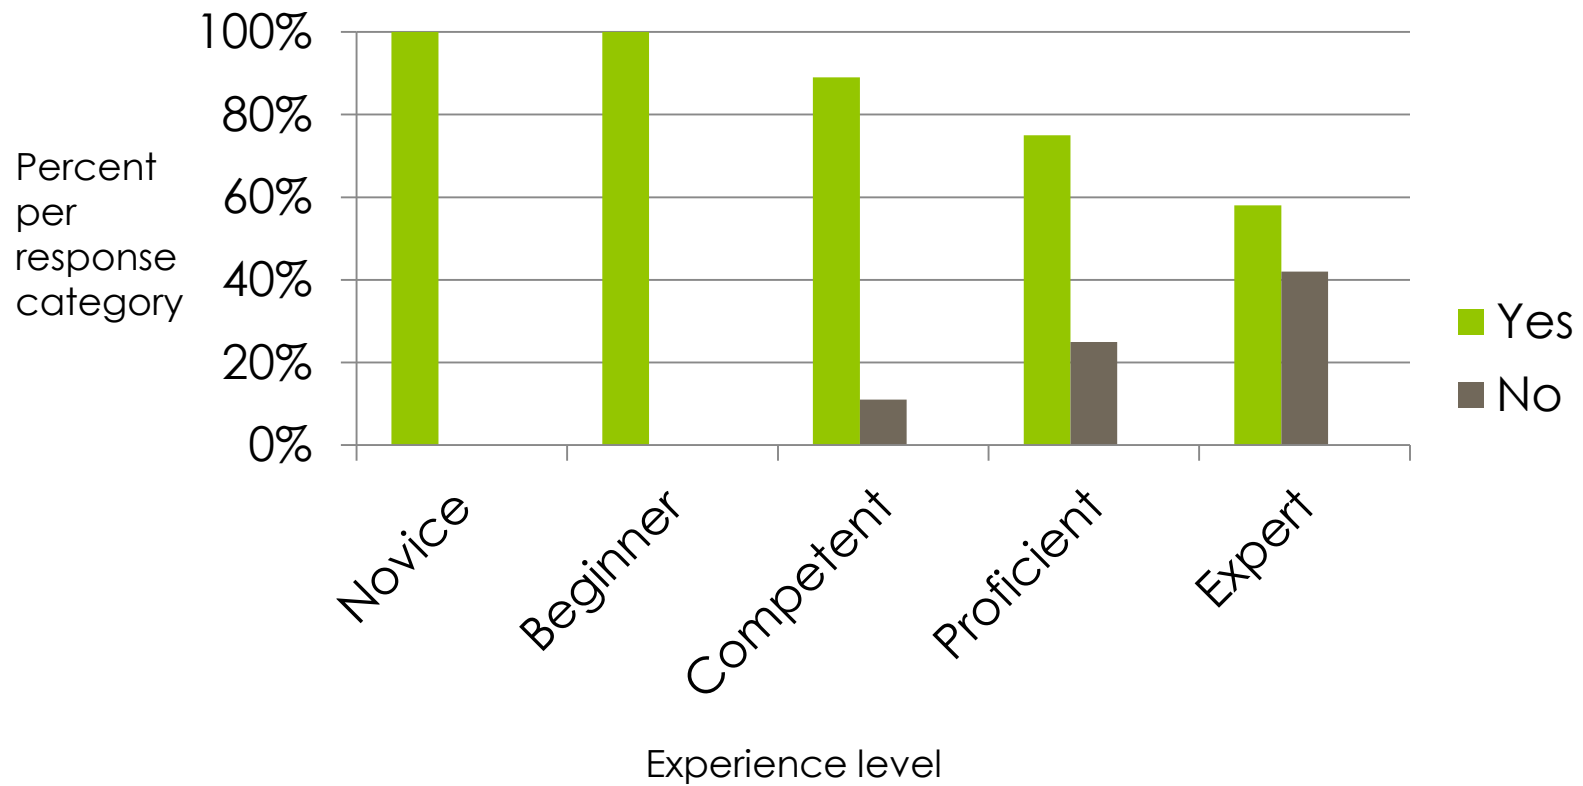

Answered: 53
*Unidentified: 6

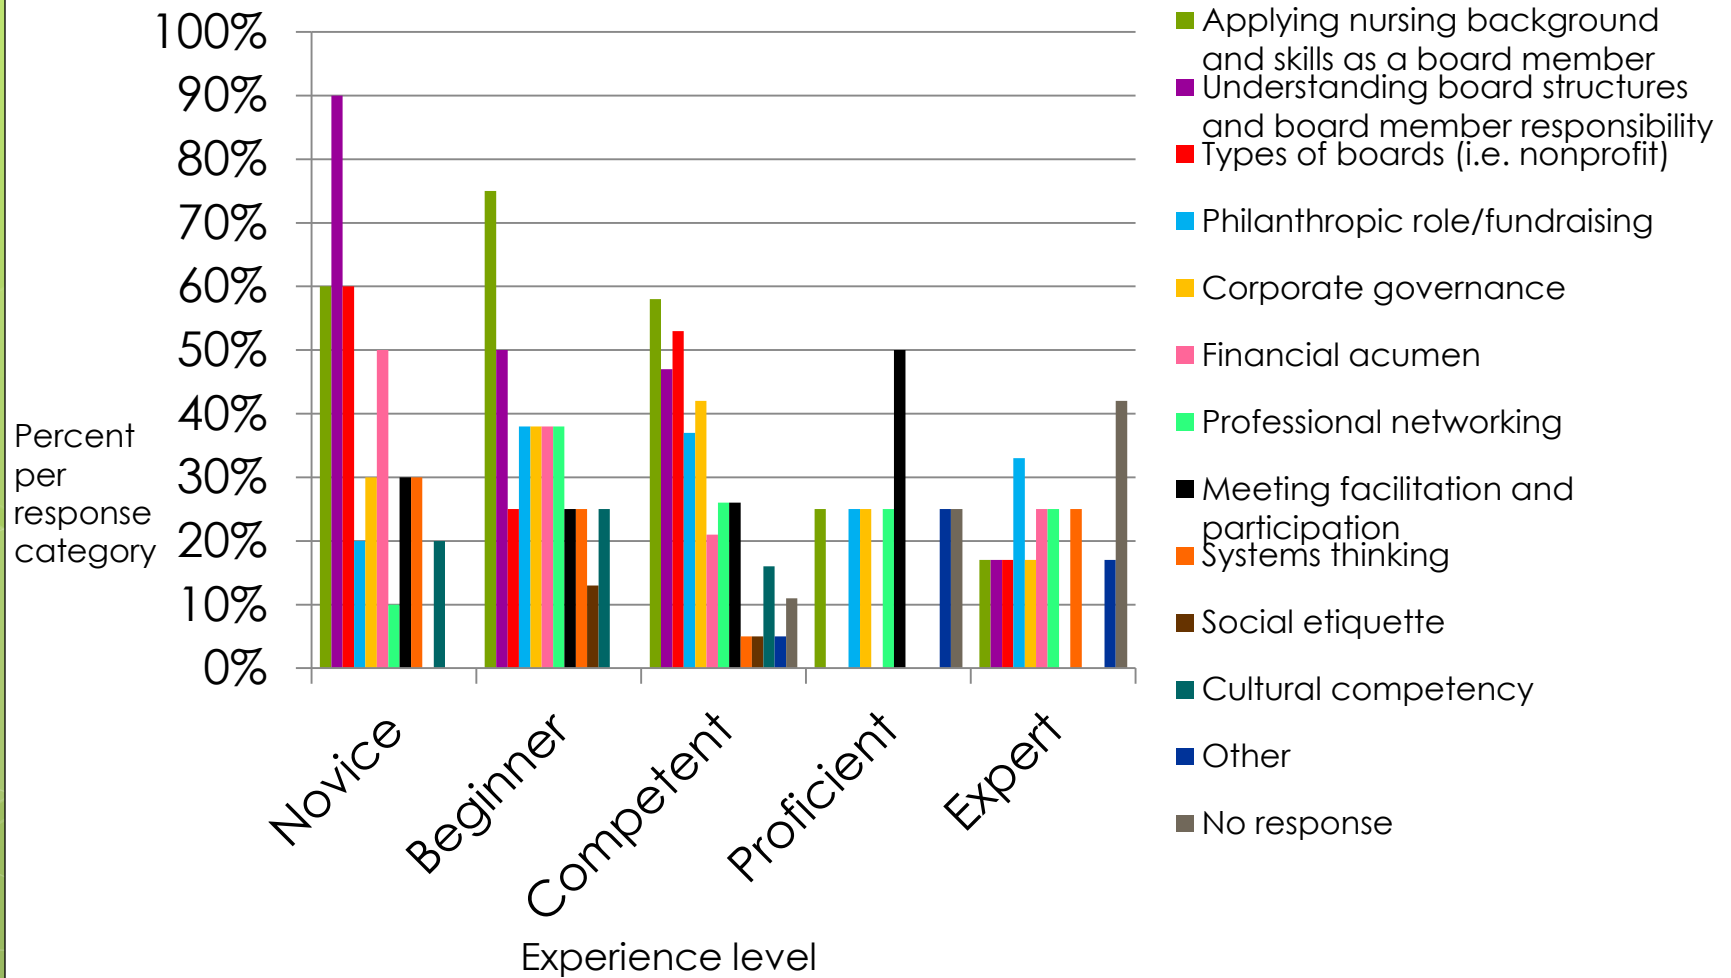

*Unidentified respondents are not shown

- Novice: I am not familiar with what board service entails. Interested but unsure of next steps. (No board service)
- Beginner: I generally understand the purpose of boards but am not familiar with how boards function. (Less than 1 year of service)
- Competent: I am comfortable serving on a board but would like to engage more actively in decision-making (2-3 years of service)
- Proficient: I feel confident participating meaningfully in decision-making processes (3-5 years of service)
- Expert: I often have a leadership role on one or more boards and provide meaningful strategic direction and oversight in my capacity. (5+ years)

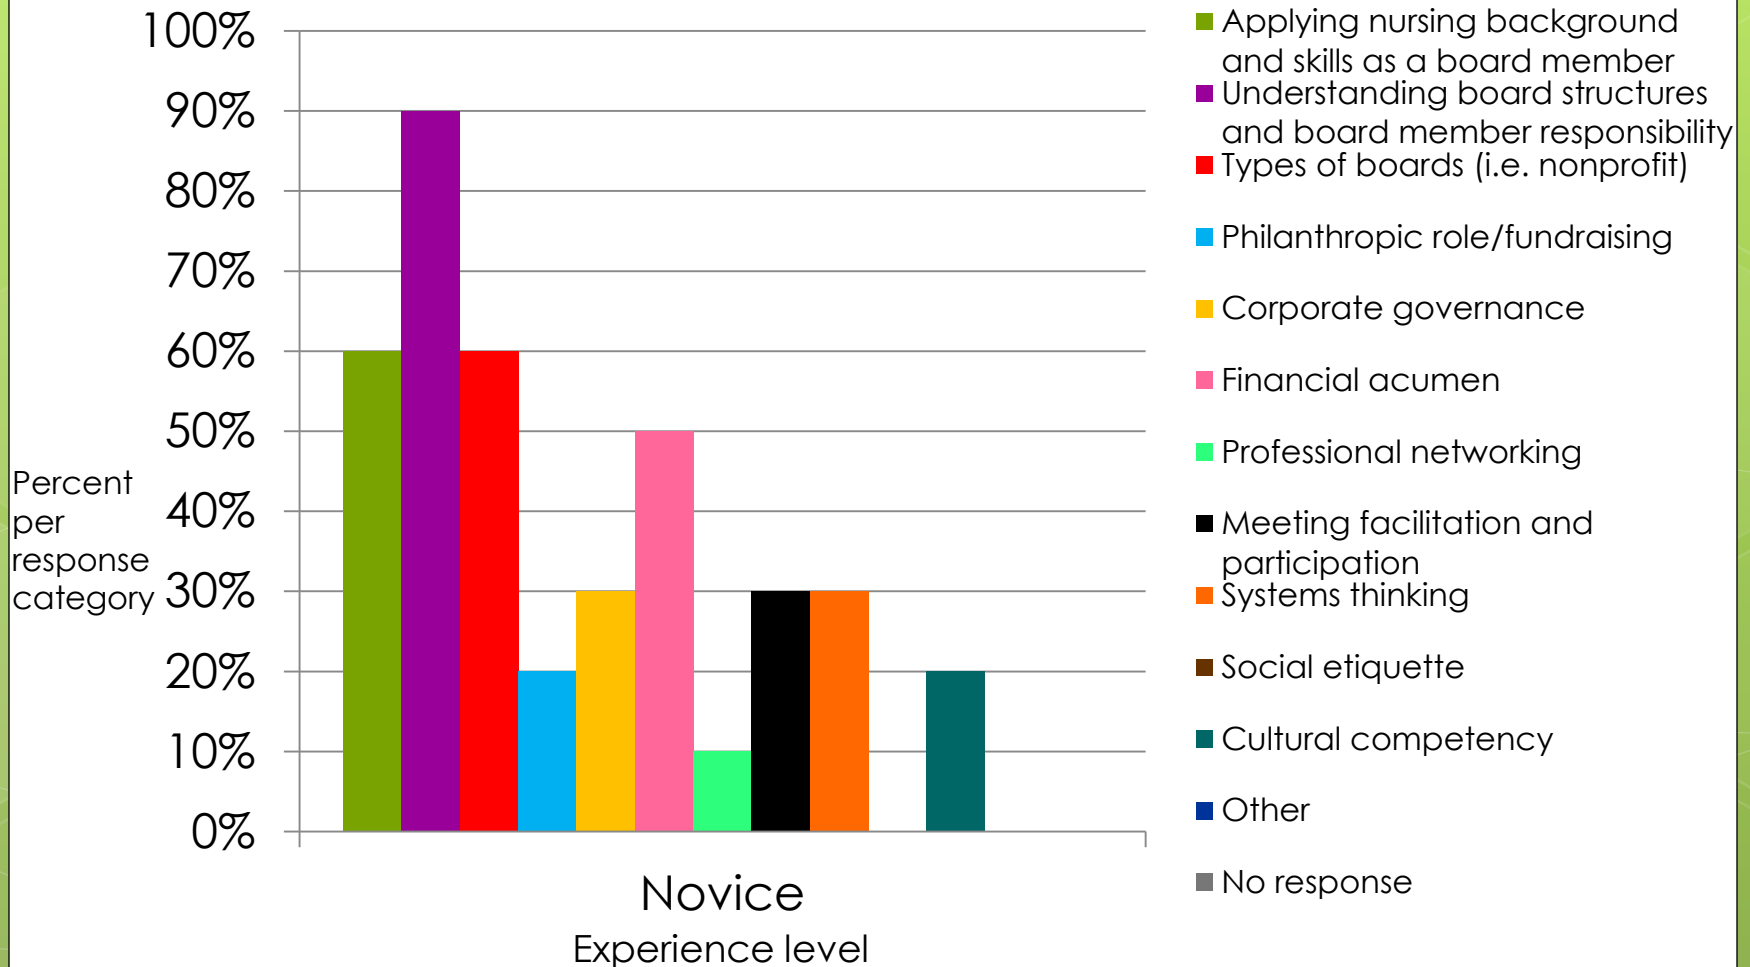

Are you interested in receiving education/training regarding leadership and/or governance?
