Roles and Responsibilities

REGIONAL TEAM: The PA-AC is organized by region into Regional Teams that implement the action plans of the PA-AC in their region. The Executive Committee of the PA-AC Advisory Board will establish, and may amend, the number and geographic boundaries of the REGIONAL Teams, with input from the PA-AC Advisory Board and Operational Council. The current geographical boundaries are identified below.

REGIONAL TEAM LEAD(S): Each Regional Team will have one or two TEAM LEAD(S) .The TEAM LEAD(S):

- a. Function as the liaison between the Regional Team and the PA-AC Director, Executive Committee, and Advisory Board;
- b. Convene the REGIONAL Executive Team for the region bi-monthly;
- c. Hold at least one region-wide meeting per year;
- d. Identify, recruit, and support PA-AC members in their region in accordance with the PA-AC mission, values, and strategic plan; and
- e. Participate in quarterly PA-AC Operational Council meetings.

REGIONAL EXECUTIVE TEAM: Each Regional Team will have an executive team comprised of stakeholders that represent a diverse range of health and healthcare perspectives and commit to developing region-specific strategies to implement PA-AC action plans. Regions may determine the size of the executive team, however regions should aim to have representation from the following areas:

- Academia (e.g. nursing faculty or dean)
- Health care administrator (e.g. chief nursing officer or health clinic director)
- Public Health (e.g. public health faculty, government professional, public health nurse)
- Non-nurse Industry (e.g. consumer organization, foundation, retail clinic)
- Direct Patient Nurse
- Student Nurse

Regional executive team member terms are one year. Executive team members may serve multiple terms.

PA-AC OPERATIONAL COUNCIL: One team lead from each regional team and action team comprise the PA-AC Operational Council. The Operational Council has the following responsibilities:

- a. Convene at least quarterly to share progress and opportunities for collaboration; and
- b. Provide feedback to PA-AC Advisory Board on action plan progress on a quarterly basis.
